## An Excellent Tuxedo Suit at \$19.75

As you know, we've had for many years a Tuxedo Suit here at \$19.75—built up quite a reputation for it—but the Tuxedo we feature at \$19.75 this season is far and away the best value we've ever offered. The material is a fine black dress vicuna-finished thibet, silk-trimmed throughout and gros grain lapels. We'd like you to see it and compare it with the best \$25 Tuxedos elsewhere.

## FIRE HOME IS READY

Engine Company No. 2 Takes Possession Next Friday.

LOCATED IN TWELFTH STREET

Elaborate Banquet to Be Feature. District Commissioners Will Be Present—H. B. F. Macfarland to Talk on "What I Know About Fires"—Gymnasium Favored.

Celebrating the completion and occupancy of the new home of No. 2 Engine Company, in Twelfth street, between G and H, the Commissioners of the District, prominent business men of the city, and their guests will gather in the building on the evening of Friday, November 25, for appropriate dedicatory ceremonies.

The feature of the evening will be an elaborate banquet, at which several prominent Washingtonians will speak. The principal speech will be delivered by former Commissioner Henry B. F. Macfarland on the subject "What I know about fires."

The committee of business men in charge of the arrangements, of which William F. Guile, president of the Chamber of Commerce, is chairman, will meet this afternoon in the Chamber rooms to consider the final details of the evening. An attractive souvenir of the occasion will be prepared for the guests at the opening.

**E. S. Schmidt Starts Movement.**  
The movement to formally dedicate the new structure was put under way by Edward S. Schmidt, who is the oldest business man in the section given protection by the fire house. A meeting of business men was held at the Chamber of Commerce and extensive plans made. The original date for the opening was November 1, but on account of delay in the installation of light fixtures the affair was necessarily postponed.

Under the efficient leadership of Mr. Schmidt, the campaign for contributions to defray the expenses of the entertainment have been easily raised. The sum of \$500 is now a reality in excess of \$500, and what remains over and above expenses will be used to purchase apparatus for the gymnasium in the building.

Following are the chairmen of the several committees who have made the project of dedicating the new structure a reality: General chairman, William F. Guile; finance, Edward S. Schmidt; invitations, O. J. De Mott; music, Edward F. Droop; refreshments, Achilles Burkman; reception, J. Louis Willige, and decorations, Samuel Hart.

## HELD TO BE A BURDEN.

Mamie Lieber, inmate of St. Elizabeth's, Not District Citizen.

Corporation Counsel Thomas yesterday submitted to the Commissioners a decision that is important in regard to the indigent insane. The question in question is that of Mamie Lieber, who came to Washington from Virginia in 1908 when she was seventeen years old.

The following year she was treated for mental trouble in a private sanatorium in Maryland, and in 1908 was sent to the Government Hospital for the Insane, and has since been maintained there at the expense of the District. The attorney general of the Commonwealth held that she had lost her legal residence in Virginia and could not be sent to any hospital for the insane in that state. Corporation Counsel Thomas holds that she was under age when she came to Washington and does not lose her citizenship in the State.

**FOUR EDITORS DEPORTED.**

Punished by Estrada for Printing Incendiary Articles.

President Estrada, of Nicaragua, has deported four newspaper editors, all members of the Liberal party, for publishing incendiary articles for the purpose of provoking anti-American demonstrations at Leon.

Jose Olivares, American consul at Managua, has advised the State Department that he has completed an investigation into the recent anti-American riots at Leon. He reported that Charles Teller, a minor and a son of an American, was shot on Sunday last by a soldier. The wound was the result of mistaken identity. On Monday afternoon, Consul Olivares added, the disorder was renewed. Eight rioters were wounded before the authorities succeeded in restoring order.
